Deliverables

☑ A zip file with all code files

☑ A PPT containing the following:

    ☑ Group name and members

    ☑ URL of the site online

    ☑ Result of page speed test for the home page on both desktop and mobile.

    ☑ What does the business or organization do and how the website helps it succeed.

    ☑ The section of code your group is most proud of along with an explanation of why you picked it and how it works. It can be anything from 2 lines to 50 lines of code.

    ☑ List each project requirement and how/where it was met

    ☑ How did each team member contribute to the project

NOTE: The midterm project must be submitted to Canvas by the team leader ONLY.
